

City of Coahoma-Violation Notice

The City of Coahoma water system PWS ID 1140002 has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Title 30, Texas Administrative Code (30 TAC), Section 290, Subchapter F. Public water systems are required to properly disinfect water before distribution, maintain acceptable disinfection residuals with the distribution system, monitor the disinfectant residual at various locations throughout the distribution system, and report the results of that monitoring to the TCEQ on a quarterly basis.

Results of regular monitoring are an indicator of whether or not your drinking water is safe from microbial contamination.

This/these violation(s) occurred in the monitoring periods(s)-January 2023-March 2023.

We have taken the following actions to address this issue:

- Submitted the DLQOR Report for this quarter.

Please share this information with all people who drink this water, especially those who may have not received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions regarding this matter, you may contact Ray Seales at 432-213-8038.
